Dear Art Teacher,

I am contacting you to ask you if you can recommend a student (age 13-19) who deserves recognition for excellence in 2D visual art. The artwork needs to be 2D and wired for hanging. A canvas painted along the edge is acceptable without a frame. The program guidelines allow for one sponsored teen per WRAA member. The enclosed brochure explains the specifics of the Statewide Teen Art Mentor Program (STAMP).

The Wisconsin Regional Artists Association who sponsors this program has asked its membership to reach out to the next generation of aspiring artists. Each mentored teen will have the opportunity to exhibit his/her artwork at the Pyle Center in Madison during the August/September exhibit and attend the closing reception and award ceremony inviting family and friends. All participants will receive recognition for their merits with monetary awards for Best of show, first, second and third places. In addition to this the STAMP teen exhibit will be published in our annual color catalogue beside our adult membership's artwork.

You can view last year's Statewide Teen Art Mentor Program Exhibit and view more information at www.wraawrap.com. Please contact me with questions. We require parental approval and do not accept responsibility for theft or damage of exhibited artwork.

Sincerely,

WRAA Member/Sponsor
